**AMENDMENTS TO THE SPECIFICATION**

On page 6, beginning with Line 16 and ending with Line 20, please replace the paragraph with the following amended paragraph.

The present invention may also be able to be used with a motion blur ~~process that that~~ process that blends previously blended frames with a subsequent frame that was not blended. For instance, if frames A, B, C, and D were to be blended, frames A and B would be blended together, then frames B and C would be blended together, and then frames C and D would be blended together to create three blended frames from four.
